**WORKSHEET FOR THE B.A. MAJOR AND MINOR IN RELIGIOUS STUDIES
AND THE MINOR IN JUDAIC STUDIES
THE COLLEGE OF ARTS & SCIENCES
THE UNIVERSITY OF ALABAMA**

This sheet has no official status; it is used for advising by Department faculty and to assist REL majors and minors, as well as Judaic Studies minors, to ensure that they have satisfied their major/minor requirements in the Department of Religious Studies. Please be aware that you are not officially enrolled as a REL major, REL minor, or JS minor unless you file the "Major/Minor Registration Form" with the College of Arts & Sciences Registrar.

Note: Prior to each registration period for the coming semester your registration materials are delivered to your home Department (for double-majors the materials are sent to your first listed major). In order for you to be able to register each semester, you must see an advisor in your Department and your advisor must notify the Department's office administrator that you have been advised. For advising appointments in REL, please contact the Department at 212 Manly Hall, 348-5271. Also, it is recommended that all majors and minors in the Department receive advising by an REL faculty member. Finally, it is also recommended that, prior to enrolling in their final semester, all majors and minors make an appointment with the Department Chair to ensure that they have met their degree requirements for their major or minor.
