

February 14, 2006

THE UNIVERSITY OF
ALABAMA
ARTS & SCIENCES

Dear Majors and Minors:

Spring is already in the air (*It is* getting warmer!) and Advising and Registration will soon be upon us for Interim, Summer Sessions I & II and Fall Semesters!

The Official Dates for Advising are February 27th until March 15th. Registration will be March 27 (after Spring Break) until April 14th!

As before, we will post the available days and times in the Main Office (212 Manly) where you can sign up to see me. A word to the wise (and that includes all of you!): Come prepared to our meeting having already reviewed your own progress towards your degree and expected graduation. You can access your (unofficial) transcript on MyBama, as well as the Worksheet which governs your program and is based upon the catalog year you entered the University. A special note of importance to our Juniors and Seniors: The College of Arts and Sciences in the person of Ms. Nancy Shockley is available for your audit review, and it is a tremendous opportunity to make sure you are progressing positively towards your goals. If you have not yet done so, I strongly suggest an appointment as soon as possible—before you see me would be nice (hint, hint!).

Departmentally, we have all been very, very busy. Our classes are fuller than they have been during the past six years, and I certainly join with Dr. McCutcheon in thanking you for your help and participation in recruiting students. Beginning this month and continuing through April, there will be numerous opportunities for you to interact with a number of scholars, including our own Dr. Schaeffer, who will return to visit with us in March from the University of Virginia in Charlottesville.

I close by wishing you a good Spring Semester, a wonderful Spring Break, and an all around great time being a part of this University and this college community.

Should you run into ANY problems, call me at 348-0473, email me at sjacobs@bama.ua.edu, or stop by during regular office hours Tuesdays and Thursdays this semester between 1:00 and 3:00.

Best to everyone!
